

Pupil Declaration – 2021 Teacher Assessed Grades Awarding Process

I understand that the final grade for most of my Level 2 qualifications (GCSE and equivalent) will be based on evidence from PPE 1, PPE 2 and PPE 3.

I am satisfied that the grades held by the school are my correct grades.

For courses with a significant amount of non-exam assessment, I understand my final grade may be determined partially or fully by my teacher's assessment of non-exam units.

I understand that I can view the assessment records for each of my courses on the school website, should I wish to explore further how each course has been assessed.

If there are any mitigating circumstances which warrant special consideration, I confirm that I have or will raise these issues formally, via e-mail, with my Head of Year Ms Willmot by the 28th May.

With my signature below, I confirm that all the work submitted as evidence is my own work.
