

Registering a Lateral Flow Test Result

1. Parents/staff will receive an email. The first email is an invite to activate your account. Please follow the link and enter the required information.

2. Every email onwards will then be a reminder to take a test. These will be sent twice a week. Once on a Sunday as a reminder to take a test before coming to school on Monday, and one on Wednesday in preparation for Thursday. Each reminder email will contain a unique link which must be followed to report the test result. Click 'Submit Result'.

3. Enter the requested data and click 'Submit'.

Step 1

Submit your school test result
Staff: Nicola Nichols

Test date:
Wednesday 24th of March

Test strip ID:

What does a test strip ID number look like?

Test result:
 Negative Positive Void

I agree to the [Terms of Use](#) and [Privacy Policy](#).

Submit result

4. You will be reminded that you need to also register the result with the NHS. Click 'Submit' and you will be taken to the NHS website to record the result.
5. You will receive confirmation from TestRegister that the result has been received!
