

WOODLANDS SCHOOL

ASPIRATION, RESILIENCE, OPPORTUNITY, EXCELLENCE

Are you Aspirational? Are you Resilient? Are you seeking a new Opportunity? Do you want to support and aid a journey to Excellence?

At Woodlands School we pride ourselves on being at the centre of the community, providing a safe environment which allows our pupils to flourish not just academically but to grow as well rounded individuals. A love of learning is what we are about, personal growth and ambition is extremely important and we encourage this in our pupils as is modelled by our staff.

We may have a range of exciting opportunities for various supporting roles not necessarily at the moment but in the future, which could lead the way into teaching. We are looking for people that share our vision of Aspiration, Resilience, Opportunity and Excellence. We may be able to provide career opportunities, personal development and the necessary support to ensure you progress.

If you are interested in a career in education we would like to invite you to our Open Day Recruitment Event. This will include a short presentation, a tour of the school and an open Q&A session presented by a range of staff that have progressed within Woodlands on different paths.

The event will run from 2.00pm to 5.00pm on Wednesday 14th July.

If you would like to attend the presentation on Wednesday 14th July at 2.00pm please email Mrs Purser, PA to Head Teacher on lpu@woodlandsschool.essex.sch to book a slot. Anyone is welcome from 3.15pm onwards.
