Supplementary Information Form

Procedure for entry to Woodlands School through aptitude for Sport and Performing Arts

Parents/Carers of Year 6 pupils are invited to apply for a place for their child in readiness for September 2026.

For the school year 2026/27, thirty Year 7 pupils will be selected for places at Woodlands School on the basis of their aptitude for either sport or performing arts.

The selection process will take place following the practical activities day(s) at Woodlands.

For **Sport**, pupils will be assessed in six core components of fitness (speed, balance, reaction time, agility, endurance and coordination) to measure their sporting aptitude. Additionally, pupils will also undergo testing in a competitive sporting environment, through an activity that will be new to all pupils so that no one is disadvantaged.

For **Performing Arts**, applicants will be required to demonstrate a particular aptitude for Creative Dramatics, Instrumental or Vocal Performance. Applicants will be required to audition, as well as complete a written test as part of the process.

Applicants will be required to attend a practical audition. The practical assessment will take place on **Saturday 4th October 2025**. Woodlands School staff will conduct the assessments in their areas of expertise, and may also involve experienced consultants from external agencies.

Notification of selection will be announced by the Local Education Authority on National Offer Day, 2nd March 2026. Successful candidates will be expected to commit themselves to the wide range of competitive school sports and whole school performing arts productions.
