10th November 2020

Dear Parent/Carers,

At Woodlands School, we are proud to offer an exciting and enriching range of subjects throughout our curriculum. Today marks the start of the options process for your child where they will select the subjects they wish to study from Year 9 onwards.

Your child was given the options booklet today in school. Please take the opportunity over the coming weeks to start the discussion about the options process and the subjects that your child may wish to study at Key Stage 4.

The video provided in the link below has information about the options process, the support available, options choices on offer and some key dates. Please ensure you take some time to watch it in its entirety: <https://youtu.be/zu7UcZnuxyc>

There will be a virtual question and answer session, on YouTube, for parents and carers on Thursday 12th November at 6.00pm to 7.00pm, where any questions regarding options at this stage can be resolved.

This link will allow you to join this virtual event on Thursday is: https://youtu.be/trg6L_kxlyc

Should you have any queries at any point, please discuss with your child's tutor or email Mr Newby, Assistant Head Teacher at jne@woodlandsschool.essex.sch.uk

We look forward to supporting your child through this exciting process.

Yours sincerely,

Mr J Newby
