

Woodlands School Pupil Premium Strategy

Statement

This statement details our school's use of pupil premium funding to help improve the attainment of our disadvantaged pupils. It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

School overview

Detail	Data
School name	Woodlands School
Number of pupils in school	1492
Proportion (%) of pupil premium eligible pupils	31.5%
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	Year 1: 2024/25 (Interim strategy complete) Year 2: 2025/26 (Current + 2024/25 Impacts + amendments to strategy following on from new school SIP) Year 3: 2026/27 (Planned)
Date this statement was published	18.12.2025
Date on which it will be reviewed	(Reviewed 01.04.2025) Final review & creation of new statement: 01.12.26
Statement authorised by	David Wright
Pupil premium lead	Katie Heseltine
Governor / Trustee lead	Jo Mason

Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£520,300
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£520,300

Part A: Pupil Premium Strategy Plan

Statement of intent

At Woodlands, we are a local school for local families and are proud to represent our local community. Currently, Basildon sits in the top third of all local authorities across the UK for its level of deprivation, and the 3rd most deprived across Essex. Our school is a representation of the community, with a high percentage of our pupils identified as Disadvantaged. The gap in deprivation levels in Basildon are substantial, and have not improved since 2015.

As of 2025-26, 31.5% of our pupils are eligible for Pupil Premium and 39% of our pupils are identified as Disadvantaged, and as a school we are aware that many more of our families not classified as Disadvantaged are still struggling, particularly in the economic climate caused by the COVID-19 pandemic and the cost of living crisis. As such, we recognise that the strategy we have in place for our Disadvantaged pupils extends well beyond this specific group but in fact encompasses our entire school population, and we are committed to providing support to any pupil who needs it, regardless of their Disadvantaged status.

At Woodlands School, we recognise that our school has a local context with local needs and barriers to learning.

Basildon Council's Local Plan Vision (2018) states that, 'by 2034, we want to **accelerate Basildon Borough's ambition**. We want a **more prosperous economy providing employment** for all our residents, including **higher value jobs**. We need more housing and a better range of housing. We want to protect and enhance our natural environment and biodiversity, including open space. The Borough will **feel safe** and residents will benefit from **high standards of health and well-being**. We want an **improved cultural offer**, more vibrant town centres and **higher educational attainment and aspirations**. We also want **more resilient communities**, reflecting the **diversity** within the Borough.'

In particular, its objectives for education are:

- 'To work with our partners through South Essex 2050 to **support the educational and skill improvement** of local people to ensure they can benefit more inclusively from growth, whilst helping them **realise their potential**;
- To create an education system that caters for a range of levels of education to **better support those with no qualifications** as well as those reaching a **high level of education**;
- To **attract qualified and motivated teachers** that are **flexible to meet the needs of learners**;
- To provide infrastructure to support **learning at all levels**, and in areas of the Borough that require it most;
- To deliver **learning that meets the needs of local businesses**, to grow key sectors and increase productivity, especially through **apprenticeships**;
- To **raise the levels of educational attainment and aspiration**; and
- To enable people with a **higher level of education** to secure **well paid jobs**, but not forgetting **vocational training for trade and public service jobs**.'

We are aware that the current local plan is under consultation until 2026 and a new draft version is yet to be

shared, recent updates suggest a further consultation meeting about the draft plan in December 2025. We will update our PPG statement in due course.

This local context, in part, informs the curriculum intent for our pupils. However our over-arching principle is that we will deliver a curriculum that is **ambitious for all**, adhering to our core values of **AROE: Aspiration, Resilience, Opportunity and Excellence.**

At Woodlands School, every pupil will have the foundations laid for **a lifelong love of learning**, through a **fully inclusive** and **appropriately challenging curriculum**, taught by **outstanding** and highly qualified **teachers**. Pupils will have all **barriers to learning removed**, ensuring a **safe and stimulating learning environment** where all make **outstanding progress**, allowing them the **opportunity** to be **excellent**.

By the end of their time with us, we have the following expectations for our pupils:

Be aspirational:

- All Woodlands pupils will be well-informed and prepared to take the next steps in their education, employment or training. Pupils will be encouraged to strive towards **Russell Group universities, higher apprenticeships** and **high-level employment**, both in London and further afield. **(A1)**
- All Woodlands pupils will gain the **cultural capital** to ensure they are well-rounded, well-informed individuals who have been provided with the same cultural opportunities as their peers from a wide range of educational backgrounds. **(A2)**
- All Woodlands pupils, especially those with Special Educational Need or Disabilities, will be equipped with the **vital life skills** required to flourish and be excellent in adult life. **(A3)**

Be resilient:

- All Woodlands pupils will be **emotionally and physically healthy**, equipped to keep themselves safe in the modern, digital world. **(R1)**
- All Woodlands pupils will possess the depth of character and **resilience** to cope with set-backs and rise to challenges, whatever life throws at them. **(R2)**

Take opportunities:

- All Woodlands pupils will be **highly literate and numerate**, fully confident in applying these core skills to new contexts. **(O1)**
- All Woodlands pupils will be **excellent orators**, furnished with the impressive communications skills so sought after by high-level employers. **(O2)**
- All Woodlands pupils will have taken opportunities to fully immerse themselves in the wider life of the school, engaging in a range of enriching activities that both help **foster positive relationships** and take pupils **out of their comfort zone**. **(O3)**

Be excellent:

- All Woodlands pupils will be **successful in a wide range of subjects**, with a **strong academic core**, that supports their academic, creative, technical or vocational ambitions. **(E1)**
- All Woodlands pupils will become **experts in their subjects**, and possess the **metacognitive skills** to continually improve their knowledge and skills. **(E2)**
- All Woodlands pupils will have a **lifelong love of learning**, will **read widely** and appreciate the

value of education. **(E3)**

What's more, we recognise that our Disadvantaged pupils are all individuals who have a variety of aspirations and goals, face a variety of different barriers to their learning and, as such, require bespoke and individualised support. We take advice from organisations such as the Sutton Trust's EEF toolkit on the most effective ways to support Disadvantaged pupils but appreciate that the strategies suggested are not, 'one-size-fits- all,' and we need to provide bespoke support to each of our Disadvantaged pupils.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

**Please note, when we were setting our new 3 year strategy our school's SIP was also due to be updated during year 1 of this. We were aware it may impact on intended outcomes and therefore ran an interim first year. When the strategy was reviewed in April 2025 with our new SIP in place, the intended outcomes have remained the same, but our success criteria has been amended for 2025-26 & 2026-2027.*

Intended outcome	Success criteria
Broaden the aspirations of our Disadvantaged pupils by offering an improved cultural offer.	<ul style="list-style-type: none"> Disadvantaged NEET figure at 0%. Increase in the number of Disadvantaged pupils indicating that they are applying to university. Increase in the number of Disadvantaged pupils applying to Sixth Form. Increase in the number of Disadvantaged pupils applying to higher level apprenticeships. Increase in the number of Disadvantaged pupils attending work experience placements in professional occupations.
Improve the progress of Disadvantaged pupils (particularly boys, High Prior Attainers and pupils with SEND) and particularly in Bucket 3 subjects.	<ul style="list-style-type: none"> Disadvantaged progress score to increase by 0.25 SEND Disadvantaged progress score to increase by 0.2 Boys Disadvantaged progress score to increase by 0.15 HPA Disadvantaged progress score to increase by 0.25 Combined Bucket 3 Disadvantaged progress score to increase by 0.25
Improve the attendance of our Disadvantaged pupils so it is in line with the national average.	<ul style="list-style-type: none"> The percentage of Disadvantaged pupils who are persistent absentees to equal to or in line with national. Bring the attendance of Disadvantaged pupils in line with national.
Ensure our Disadvantaged pupils are more resilient and less reliant on pastoral support.	<ul style="list-style-type: none"> Reduction in the number of Disadvantaged pupils who are repeat offenders in Inclusion. Reduction in the number of Disadvantaged pupils who are repeat offenders in SLT sanctions. Reduction in the number of Disadvantaged pupils who are repeat offenders repeated suspended. Increase in the number of Disadvantaged pupils successfully completing the Resilience programme. The average Attitude to Learning score of Disadvantaged pupils to be in line with non-Disadvantaged pupils.
Develop our Disadvantaged pupils into more independent learners, particularly improving engagement with home learning.	<ul style="list-style-type: none"> Engagement with home learning to be at the same percentage for Disadvantaged pupils as non-Disadvantaged. Engagement with home learning for all pupils: 95%.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £137,114

Activity	Evidence that supports this approach	Challenge number(s) addressed
Delivery and development of the Tassomai home learning programme & WSCSS	<p>‘Our research data shows that students of all abilities improve in their academic performance as they use Tassomai - and the more they use it, the more they improve.</p> <p>But the effect is even stronger for learners with lower initial attainment - which is why schools use Tassomai not only to underwrite outcomes but also to close their attainment gap.’</p> <p>https://www.tassomai.com/our-impact</p>	1, 2, 3, 4, 5
Sanction Technician employed to improve pupil and parental engagement with the Tassomai home learning programme & whole school sanctions	<p>‘Homework has a positive impact on average (+5 months), particularly with pupils in secondary schools...</p> <p>Homework that is linked to classroom work tends to be more effective. In particular, studies that included feedback on homework had higher impacts on learning.</p> <p>It is important to make the purpose of homework clear to pupils (e.g. to increase a specific area of knowledge, or to develop fluency in a particular area).’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/homework</p>	2, 5
Overseeing of PPG initiatives by the Senior Leadership Team (leading Preparing for Success evenings; delivery of	<p>‘Mastery learning is a cost-effective approach, on average, but is challenging to implement effectively. Schools should plan for changes and assess whether the approach is successful within their context.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/mastery-learning</p> <p>‘The impact of collaborative approaches on learning is consistently positive, with pupils making an additional 5 months’ progress, on average, over the course of an academic year. However, the size of impact varies, so it is important to get the detail right.’</p>	1, 2, 3, 4, 5

<p>CPD on PPG; developing strategy for improving PPG</p> <p>progress with Heads of Faculty and the Raising Standards team etc.)</p>	<p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/collaborative-learning-approaches</p> <p>‘There are positive impacts from a wide range of feedback approaches – including when feedback is delivered by technology or peers. Impacts are highest when feedback is delivered by teachers. It is particularly important to provide feedback when work is correct, rather than just using it to identify errors.</p> <p>Many studies of feedback also include other practices. For example, mastery learning approaches combine feedback with additional support for pupils that are falling behind, while approaches like formative assessment also include work to understand specific gaps in learning that need to be addressed and how the teacher wants the pupil to progress.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/feedback</p>	
<p>Provision of revision resources as part of the Preparing for Success Evenings</p>	<p>‘Metacognition and self regulation approaches to teaching support pupils to think about their own learning more explicitly, often by teaching them specific strategies for planning, monitoring, and evaluating their learning.</p> <p>Interventions are usually designed to give pupils a repertoire of strategies to choose from and the skills to select the most suitable strategy for a given learning task...</p> <p>The average impact of metacognition and self- regulation strategies is an additional seven months’ progress over the course of a year.</p> <p>Metacognition and self-regulation strategies can be effective when taught in collaborative groups so that learners can support each other and make their thinking explicit through discussion.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/metacognition-and-self-regulation</p>	<p>2, 4, 5</p>

Provision of resources to allow all PPG pupils to participate in Food Technology	<p>Following a healthy, nutritious and balanced diet has a positive impact on pupils' minds as well as their bodies. Research shows that pupil outcomes are positively affected by healthy food choices.</p> <p>Providing each child the opportunity to learn how to plan and prepare healthy nutritious meals will provide them with a lifelong skills that will not only support their health & wellbeing, but will also enable them to learn better.</p> <p>https://www.gov.uk/government/news/more-than-half-a-million-children-benefitted-from-healthy-food-and-activities-during-summer</p> <p>https://uk.sodexo.com/insights/market-trends/2024/schools/healthy-eating-schools</p>	1, 2
--	---	------

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £93,963

Activity	Evidence that supports this approach	Challenge number(s) addressed
Lexonik literacy intervention	<p>'On average, oral language approaches have a high impact on pupil outcomes of 6 months' additional progress.</p> <p>It is important that spoken language activities are matched to learners' current stage of development, so that it extends their learning and connects with the curriculum.'</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/oral-language-interventions</p>	2, 5
Provision mapping software to ensure all interventions provided to PPG and SEND pupils are accurately recorded	<p>'On average, one to one tuition is very effective at improving pupil outcomes. One to one tuition might be an effective strategy for providing targeted support for pupils that are identified as having low prior attainment or are struggling in particular areas.'</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/one-to-one-tuition</p>	2, 3, 4

Co-Educator Morning Intervention support		2, 4, 5
GCSEPod access	<p>‘On average, students who used GCSEPod the most received 3 grades higher across their subjects than predicted.’</p> <p>https://www.gcsepod.com/wp-content/uploads/2019/10/The-impact-of-GCSEPod-compressed.pdf</p>	2, 4, 5
Active Learn online access	<p>‘Technology has the potential to increase the quality and quantity of practice that pupils undertake, both inside and outside of the classroom.</p> <p>Technology can be engaging and motivating for pupils. However, the relationship between technology, motivation, and achievement is complex. Monitoring how technology is being used, including by checking that all learners have the skills they need to use it effectively, is likely to reduce the risk that technology becomes a tool that widens the gap between successful learners and their peers.</p> <p>Some forms of technology can also enable teachers to adapt practice effectively, for example by increasing the challenge of questions as pupils succeed or by providing new contexts in which students are required to apply new skills.</p> <p>Using technology to support retrieval practice and self- quizzing can increase retention of key ideas and knowledge.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/guidance-reports/digital</p>	2, 5

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £288,923

Activity	Evidence that supports this approach	Challenge number(s) addressed
Safeguarding support provided by the Safeguarding Team	<p>‘Children with higher levels of emotional, behavioural, social, and school wellbeing, on average, have higher levels of academic achievement and are more engaged in school, both concurrently and in later years.’</p> <p>The Impact of Pupil Behaviour and Wellbeing on Educational Outcome - Department for Education</p>	3, 4

Pastoral support provided by Heads of Year	<p>‘Both targeted interventions and universal approaches have positive overall effects (+ 4 months). Schools should consider the appropriate combination of behaviour approaches to reduce overall disruption and provide tailored support where required.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/behaviour-interventions</p>	2, 3, 4, 5
Attendance intervention initiatives provided by the Attendance Team	<p>‘1. Offer a clear vision for attendance, underpinned by high expectations and core values, which are communicated to and understood by staff, pupils and families.</p> <p>2. Make sure staff, pupils and families understand that absence from school is a potential safeguarding risk and understand their role in keeping children safe.</p> <p>3. Expect good attendance and punctuality from all members of the school community and make sure that pupils understand its importance.</p>	2, 3

Travel to school provided to pupils who require it	<p>4. Convey clear messages about how absence affects attainment, wellbeing and wider outcomes. Empower staff to take responsibility for attendance.</p> <p>5. Recognise attendance as an important area of school improvement. Make sure it is resourced appropriately (including through effective use of pupil premium funding) to create, build and maintain systems and performance.</p> <p>6. Have a designated attendance champion in the senior leadership team with clearly assigned responsibilities which are identified within the attendance policy, escalation of procedures and school improvement plan.</p> <p>7. Make sure staff receive professional development and support to deploy attendance systems effectively.</p> <p>8. Governors should have an accurate view of school attendance and engage in escalation procedures where appropriate.’</p> <p>https://www.gov.uk/government/publications/school-</p>	1, 3
--	---	------

	attendance/framework-for-securing-full-attendance-schools-and-local-authorities actions-for-	
Intervention from the Resilience Programme ran by Assistant Heads of Year	<p>‘Social and emotional learning approaches have a positive impact, on average, of 4 months’ additional progress in academic outcomes over the course of an academic year. This finding, however, has very low security, so schools should be especially careful to monitor the efficacy of SEL approaches in their settings.</p> <p>The studies in the Toolkit focus primarily on academic outcomes, but it is important to consider the other benefits of SEL interventions. Being able to effectively manage emotions will be beneficial to children and young people even if it does not translate to reading or maths scores.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/social-and-emotional-learning</p>	3, 4

Uniform provided to those pupils that need it	<p>‘Wearing a uniform is not, on its own, likely to improve learning, but can be successfully incorporated into a broader school improvement process which includes the development of a school ethos and the improvement of behaviour and discipline.</p> <p>Staff commitment to upholding and consistently maintaining a uniform policy is crucial to successful implementation.</p> <p>If a uniform policy is in place, it is important to consider how to support families that may not be able to afford uniform.’</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/school-uniform</p>	4
Additional meal support	<p>‘A 2009 study confirmed the significant benefits the campaign had on educational attainment. The research showed that healthy school meals significantly improved educational outcomes , in particular in English and Science, and led to a 15% reduction in absenteeism due to sickness.’</p> <p>https://www.schoolfoodmatters.org/why-school-food-matters/why-fresh-and-healthy-school-meals</p>	4
Breakfast Provision		2, 3, 4
Funding support for Disadvantaged pupils to attend culturally	‘Studies in England suggest that different socioeconomic groups have similar levels of aspiration for their future outcomes and that differences in participation rates in higher education are largely driven by academic attainment. Given the broad range of attitudes, behaviours and beliefs surrounding aspirations in communities with higher rates of poverty, schools should avoid generalisations.	1

enriching trips and extra-curricular activities (additional funding provided by external donation)	<p>Aspiration interventions without an academic component are unlikely to narrow the disadvantaged attainment gap. Teacher expectations play a role in shaping pupil outcomes and teachers should aim to communicate a belief in the academic potential of all pupils.'</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/aspiration-interventions</p>	
Support with university, Sixth Form, college visits		4
Support with securing professional work experience placements		4

Total budgeted cost: £520,300

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2024 to 2025 academic year.

	20/21	21/22	22/23	23/24	24/25
PP Cohort Size	112	92	113	98	99
KS2 Average	100.39	102.02	103.75	102.33	102.51
Attainment 8	39.55	43.53	34	35.38	36.72
Woodlands Schools vs 2024/25 Disadvantaged National Attainment 8 for 2024/25 (+1.82)	National Attainment 8: 40.3 (-0.75)	National Attainment 8: 37.6 (+5.93)	National Attainment 8: 35 (-1)	National Attainment 8: 34.6 (+0.78)	National Attainment 8: 34.9 (+1.82)
5+ English and Mathematics	24%	37%	22%	42%	23%
Woodlands Schools vs 2024/25 Disadvantaged National 5+ in English & Mathematics for Disadvantaged for 2024/25 (+1.82)	National 5+ English & Mathematics: 31.7% (-7.7)	National 5+ English & Mathematics: 29.6% (+7.4)	National 5+ English & Mathematics: 25.2% (-3.2)	National 5+ English & Mathematics: 25.8% (+16.2)	National 5+ English & Mathematics: 25.6% (-2.6)

**National Progress 8 scores not available for 2024/25 due to this cohort being affected by the pandemic. This measure has been removed, and a comparison against the national Attainment 8 figure for Disadvantaged has been used instead.*

Provision	Challenge Number Addressed	Success Criteria	Impact
Teaching			
Development of Tassomai & Development of WSCSS	1, 2, 3, 4, 5	<p>An improvement in the amount of home learning completed by pupils.</p> <p>WSCSS successfully implemented and embedded across the whole school.</p>	<p>In the academic year 2024-25, pupils completed 48,063 hours on the Tassomai home learning programme (up from 47,11 in 2023-2024).</p>
SLT Technician	2, 5		<p>On average, 16,304,726 questions were answered correctly (up from 15,390,746 questions in 2023-2024). It is also worth noting that the level of engagement in Tassomai from the school community means that our pupils are in the top 1% of the country for engagement.</p> <p>Higher expectations/ Greater consistency with the sitting and engagement of sanctions across the school, which leads to improved behaviors and high expectations of the school being met (as identified within the most recent OFSTED report)</p>
Overseeing PPG Initiatives	1, 2, 3, 4, 5	Improvement in the progress of PPG pupils in all subjects.	Attainment 8 for Year 11 PPG pupils was 36.72, which is +1.82 above the National Disadvantaged results for 2024.25
Preparing for Success Evening Resources	2, 4, 5	All Year 7 & 11 pupils, parents/carers to be offered guidance on revision strategies on the run up to GCSE's from subject specialists.	Every Year 7 & 11 pupil received a supporting learning or revision resource pack, and was provided with revision guidance both at the event and in the form of both a paper based and electronic information pack.
Laptops	2, 5	All pupils to have their own laptop of PC to complete home learning tasks successfully from home.	Laptops have been provided to 75 pupils to ensure they have online access at home.

Food Technology	1, 2	All pupils who study catering at KS3 or GCSE to have access to the supplies needed to partake in practicals.	Support with catering supplies to enable all pupils to cook was provided on approximately 150 different occasions.
-----------------	------	--	--

Targeted Academic Support			
Lexonik	2, 5	To enhance phonics skills, comprehension, and the reading age of pupils identified as requiring literacy support.	Two members of staff were trained by the Lexonik group. Pupils who participated in the Lexonik programme demonstrated an average reading age improvement of 21 months after a six-week group intervention.
Provision Mapping Software	2, 3, 4	To accurately record and monitor interventions for pupils with SEND, and vulnerable groups using Provision Map software.	Provision Map is now routinely used to document tailored support, interventions, and key information for staff, ensuring consistent and accurate records. This ensures a collaborative joined up approach within all areas of the pastoral and Aspirations Faculty. Creating a reduction in admin time ensuring these staff have more time for purposeful face to face interventions with pupils
Co-Educator AM Intervention	2, 4, 5	To improve the reading age, comprehension skills, handwriting, numeracy, and touch-typing abilities of targeted pupils.	Pupils who participated in the Co-Educator AM Intervention showed an average reading age improvement of 20 months after a half-term intervention.
GCSE Pod	2, 4, 5	All pupils to have access to the wealth of online resources across GCSE subjects.	6565 pods were accessed by pupils in the academic year 2024-25.
Active Learn Online	2, 5	All pupils to have access to the Science, Maths, Geography, Health & Social Care, and Modern Foreign Languages resources available. Staff to utilise the resources available to enhance lesson planning and resources ensuring pupils have access to	All pupils benefitted from access to Active Learn both in and outside of lessons. The resources pupils have access to outside of lesson, are supporting their learning outside of the classroom, fostering their independence and providing high quality, impactful home learning tasks.

		high quality lesson resources.	
--	--	--------------------------------	--

Wider Strategies			
Safeguarding Support	3, 4	Effective Safeguarding support offered to all pupils who require it.	440 referrals were effectively reported to the Safeguarding team in 2024-25.
Pastoral Support (HOYs)	2, 3, 4, 5	<p>All identified pupils to be provided with pastoral support as needed & an improvement in the attitude to learning of all pupils.</p> <p>Calendared pupil focus meeting throughout the academic year, attended by teaching staff. These are designed to develop consistency plans for pupils who are struggling with their social emotional needs.</p>	<p>Improved attitude to learning in 90% of pupils on Yr11 pastoral support programme by average of 0.9 of a grade (1-5) and improved progress of group by average of 0.7 grade across all subjects.</p> <p>Improved attendance from staff, whilst giving up their lunch breaks to attend these meetings, the knock-on effect is that there is a reduction of repeated poor behaviors, and suspensions from these pupils.</p> <p>Pupil focus meetings in 2024-25:</p> <ul style="list-style-type: none"> • Y7-22 • Y8-20 • Y9-15 • Y10-20 • Y11-14
Attendance Intervention	2, 3	Improvement in pupil attendance.	<p>Attendance for the academic year 2024 – 2025 was 92.4% which is an increase of 0.3% from 92.1% in the 2023-2024 academic year. In the 2024-2025 academic year, for the first time in recent history, the school was above the National average. The PA figure also decreased from 21.6% in 2023-2024 to 20.9% in 2024-2025.</p> <p>*Attendance has been taken from Autumn 1-Summer 1 in line with National guidance.</p>
Travel Costs	1, 3	All pupils to have a reliable method of transport to school.	<p>Support with travel was provided 1 family</p> <p>Note: additional funding was provided by an external generous donation for travel costs</p>

Resilience Intervention with AHOYs	3, 4	All identified pupils receive an intervention program to support their resilience both in and out of school.	<p>All identified pupils received the Resilience intervention programme.</p> <p>Pupils who took benefitted from intervention programmes in 2024/5:</p> <ul style="list-style-type: none"> • Y7-22 • Y8-20 • Y9-15 • Y10-20 • Y11-14
Uniform	4	All pupils to have the required uniform to attend school.	<p>Support with uniform was provided to families on 5 occasions.</p> <p>Note: additional funding was provided by an external generous donation for support with uniform</p>
Additional Meal Support	4	Any pupil who has not eaten can be provided with a lunch meal even if they have no immediate funds.	<p>Additional support with meals was provided to pupils on 9 occasions.</p> <p>Note: additional funding was provided by an external generous donation for support with additional meals.</p>
Breakfast Provision	2, 3, 4	Pupils who do not have access to breakfast at home receive this for free in school.	Approximately 100 pupils benefitted from the school's free breakfast provision each day.
Funding Disadvantaged Pupils Trips & ECAs	1	All PPG pupils wishing to partake in Extra-Curricular Activities and not having the means were able to do so.	PPG funding was used to support 27 Extra-Curricular Activities throughout the academic year. Note: additional funding was provided by an external generous donation for ECAs.
