

21 Drama students on the Artistic Performance Team for Drama performed at the annual Feast and Fayre in Horndon on the Hill on Saturday the 28<sup>th</sup> of June. The festival saw our performers create comedy sketches based on the Italian Art form of Commedia dell'Arte on the stage to a packed audience. Students have been using their Monday afternoons rehearsing and creating these performances with the wonderful Complete Commedia Company and all the hard work shone through on the day.

Well done to all the performers and a big thank you for family members who made it a very special event and to the Complete Commedia Company for giving our students such a wonderful experience.
