

On July 8th, 10 of our Anti-Bullying Ambassadors attended the Stop the Hate conference hosted by Basildon Twinning and the Never Forget project. The pupils were amongst those invited to speak about important and current topics, with the hope of producing positive ways to end hate. The talks included were by Basildon Police, the Ben Kinsella Trust, the Liam Taylor legacy, a brave individual affected by the war in Ukraine, as well as many more inspiring individuals.

The pupils were a credit to the school during the trip and delivered wonderful speeches and poems about bullying, their experience of growing up in this day and age and the importance they see in their role as Anti-Bullying ambassadors, which were highly praised by those in attendance. They also showed great respect for those talking and had lots to go home and think about from such an inspiring day.
