

Crondon Park Golf Club Trip

On March 11th, Year 10 Hospitality and Catering pupils visited Crondon Park Golf Club.

They toured the facilities and completed 2 activities, the first was to set up tables for a 3-course meal for a wedding.

The second task was look at the site accommodation rooms and then a room that was missing some elements.

Pupils worked together to figure out what was missing.

Pupils then had talks with the events team and the sous chef which gave them the opportunity to ask questions before enjoying a 2-course meal.
