

On Friday the 13th February, 11 of our pupils were given an unforgettable opportunity with a private visit to the Palace of Westminster. Pupils took part in an exclusive tour, where they explored both the House of Commons and the House of Lords. They also had the chance to explore the galleries of the historic Westminster building itself and learn how laws are made and bills are passed.

The visit was brought to life through engaging political and historical sessions, giving pupils a deeper understanding of how Parliament works and why it matters.

It was a fantastic day and an inspiring experience for our pupils.
