

A small group of our pupils recently enjoyed an exciting educational trip to London, where they took part in an extra-curricular city sightseeing bus tour. The visit provided a wonderful opportunity for the children to experience some of the capital's most famous landmarks while learning more about the history and culture of one of the world's greatest cities. The sightseeing bus tour allowed the children to take in many iconic London attractions, sparking curiosity and inspiring conversations about the city's rich heritage. The experience also helped to develop their confidence, independence and appreciation of the wider world beyond the classroom.

Despite the exceptionally hot weather, the pupils demonstrated outstanding behaviour and attitudes throughout the day.

They represented our school with pride, showing respect, enthusiasm and excellent manners at every stage of the trip. I would like to thank the staff who gave up their time to accompany the trip, making this valuable learning opportunity possible.
