

On 14<sup>th</sup> February 44 year 10 and 11s set off to Köln, Germany. Whilst there we visited the Kölner Dom (Cathedral), die Schokoladen Museum, Bonn (Chocolate Museum), Haus der Geschichte (House of History), Schloss Drachenburg and Aachen. We also experienced the funicular railway and tried our hand at German Bowling. Pupils got to practise their German and put it to good use when ordering the German speciality Die Currywust. Es war eine schöne Klassenfahrt.
