

On Tuesday, 7th October, and Wednesday, 8th October, Year 11 pupils participated in mock interviews designed to prepare them for the next stages beyond Woodlands. The primary aim of these interviews was to help students develop their confidence, communication skills, and readiness for future education or employment opportunities.

The interviewers were highly impressed with the pupils' professionalism and the quality of their interview responses. Many students also established valuable connections within their chosen career fields.

We would like to extend our sincere thanks to all the volunteers who generously gave their time and expertise to support this important event.
