

On Friday 10th October, some of our Year 11 pupils visited the Anglo European School in Ingatestone to explore the sixth form routes available.

Our pupils were exposed to a 'Theory of Knowledge' lesson where they are challenged to question how and why they think how they do. They also visited the Sixth Form Fair where they got to speak to staff and students about the different courses on offer, before being shown round the school. Our pupils also heard from Tallulah A, Shaun R, & Lewis W, our former Year 11 pupils who now attend the AES. They discussed with our pupils the courses that they now do, the extra-curricular opportunities on offer, and how they get to and from the school. It was wonderful to see our ex-pupils and just how much they have grown in confidence in a short space of time. All of our pupils, past and present were excellent ambassadors for the school.
