Woodlands School is proud to serve the people of Basildon and we are constantly striving to be better. We are focused on ensuring academic excellence for all our youngsters, allowing them the opportunity to thrive at further and higher education.

We encourage all of our youngsters to have the highest of aspirations and look to equip them with all the tools they need to become even more resilient. We offer the widest opportunities to ensure excellence becomes a habit.

Our expectation is that all at Woodlands School work hard and are self-motivated. All are to lead their own learning, be polite and respectful. Our boundaries are clear and they support all in ensuring they can maintain the highest standards

We will provide a wealth of opportunities to learn in and beyond the classroom. Adding cultural capital and ensuring experiences develop the whole child.

Unqualified Teacher

Are you seeking a new professional challenge in an innovative, well supported environment? Are you a lifelong learner looking to model high aspirations and excellence to the community you serve? Are you relentless in your mission to improve and keen to support and challenge students and staff alike to become the best they can be? If so, an exciting opportunity has arisen to join us in our demanding mission to offer a first-class provision for our school community by raising Aspirations, instilling Resilience, creating Opportunities and securing both academic and personal Excellence. We are seeking a hardworking, committed practitioner to join us in our journey as together, we can change lives!

We require an aspiring teacher to join our school community and help deliver our Personal Development programme with the opportunity to teach other subjects which help enhance our pupils' cultural capital. We are incredibly proud of this feature of our curriculum and seek an enthusiastic individual to work with experienced colleagues to deliver the bespoke programme of lessons. We have a proven track record of supporting colleagues on their journey into teaching and so, whilst experience of instructing/teaching is desirable, it is not essential as we will provide a comprehensive package of support to ensure the aspiring practitioner has the necessary skills to provide our young people with a first-class provision.

Our classrooms are happy learning environments, and we facilitate a growth mindset in our pupils, modelled by our ambitious, progressive staff body who benefit from a evidence-informed CPD package which is at the pinnacle of pedagogical development.

We encourage potential colleagues to visit our state-of-the-art learning community, so you can see first-hand the vibrant and inclusive learning environment that we are proud to offer. We are confident that you will be impressed with our relentless commitment to providing our local community with opportunities for success both at Woodlands and in the wider world.

The school is committed to Safeguarding and promoting the welfare of children and young people and expects all staff to share in this commitment.
