

Our Ref: D0c/LPu

April 2021

Dear Parent/Carers,

Woodlands School recently invested in "Bedrock Vocabulary," an online intervention programme. Bedrock Vocabulary is a digital vocabulary programme that teaches essential words, root words, academic verbs, and assists in spelling improvement. Bedrock is a self-grading programme that adapts to the pupils' needs.

I would like to take this opportunity to ask for your support in this intervention programme. Although pupils will use this programme at school, the impact will be much greater if you can persuade them to spend 20-30 minutes or more doing this at home every night.

Prizes and awards will be given to pupils who put forth the most effort.

Thank you for your support, and should you have any questions please do not hesitate to contact me via email at doc@woodlandsschool.essex.sch.uk.

Yours sincerely,

Mr D O'Connor
Lead Practitioner – Speech & Language Enhanced Provision
