Dear Parent/Carer,

Year 6 Summer School

We are delighted to announce that we will be hosting an **“Aspiration- Reach for the Stars”** Summer School Scheme, which will take place from Monday 26th July to Friday 30th July 2021.

The aim of the programme is to introduce pupils to life at Woodlands School and to provide them with a taste of the subjects they will be studying in September. It will also provide pupils with the opportunity to make new friends.

“Summer schools play a role in supporting the transition and promoting stable relationships” (DFE 2021)

The programme will consist of cross curricular projects, with a combination of core subjects, wellbeing support and fun enrichment activities.

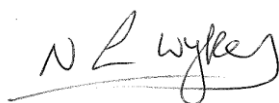

There is no charge for “Aspiration - Reach for the Stars” Summer School as Government funding makes this possible, we strongly support this exciting opportunity. Therefore, if you would like your child to have a place at the Summer School, please complete the form, using the link below **by 1st June 2021**.
