Publishing Pupils Non-Examination Assessment

We may wish to celebrate the achievements of pupils and promote the School through publishing of non-examination assessment. When this is the case we will seek the consent of the parent/carer, or where pupils are aged 12 or above, from the pupil themselves. As we are relying on your consent you can withdraw consent at any time by contacting the school. Every effort will be made to delete the non-examination assessment, but please note that where consent has been provided for the publication, the school may not be able to locate and delete the non-examination assessment on request, although reasonable steps will be taken to do so.

Where consent has been provided for the use of non-examination assessment, and the pupil has left the school, we will rely on legitimate interests as our legal basis when retaining non-examination assessment for promotional purposes.
