Purpose of the policy

This policy details how Woodlands School deals with an emergency evacuation of the exam room(s) by defining staff roles and responsibilities and confirming the emergency evacuation procedure.

When is an emergency evacuation required?

An emergency evacuation is required where it is unsafe for candidates to remain in the exam room. This might include a fire in the exam room, the fire alarm sounding to warn of fire, bomb alert or other serious threat.

In exceptional situations, where candidates might be severely disadvantaged or distressed by remaining in the exam room, the emergency evacuation procedure may also need to be followed. This might include situations where there is severe disruption in the exam room, serious illness of a candidate or invigilator or similarly serious incidents.

As each incident may be different, advice will be sought from the relevant awarding body as soon as it is safe to do so, particularly where the centre is concerned about the security of the examination(s). (ICE 25.4)

Where candidates are unable to return to the building to complete the examination, the relevant awarding body will be contacted immediately for advice. The awarding bodies have procedures in place to ensure that candidates are not disadvantaged where they are unable to complete the examination due to circumstances beyond their control. (ICE 24.5)

Emergency evacuation procedure

Invigilators are trained in this procedure and understand the actions they must take in the event of a fire alarm or other emergency that leads to an evacuation of the exam room.

Emergency evacuation procedure
Actions to be taken (as detailed in current JCQ Instructions for conducting examinations section 25, Emergencies)
Stop the candidates from writing
Collect the attendance register (in order to ensure all candidates are present)
Evacuate the examination room in line with the instructions given by the appropriate authority
Advise candidates to leave all question papers and scripts in the examination room Candidates must be advised to close their answer booklet
Ensure candidates leave the room in silence
Ensure the candidates are supervised as closely as possible while they are out of the examination room to make sure there is no discussion about the examination
Make a note of the time of the interruption and how long it lasted
Allow the candidates the remainder of the working time set for the examination once it resumes
If there are only a few candidates, consider the possibility of taking the candidates (with question papers and scripts) to another place to finish the examination
Make a full report of the incident and of the action taken, and send to the relevant awarding body
Additional centre-specific actions to be taken
In the event of a fire alarm, evacuate the exam room by the nearest fire exit
Escort candidates to the assembly point in the netball court via escape doors in the sports hall for main hall exams or (for AA rooms on corridor B) via athletic performance corridor to the netball courts
SLT members who are not teaching are to make their way to exam rooms during the GCSE season and assist with evacuation. Any other non-teaching staff to assist where possible.
When/if allowed to return to the exam room, allow candidates time to settle down, reminding them they are still under formal exam conditions and that they must not restart writing their answers until instructed to do so
Announce clearly to candidates when they may begin to write their answers (the exam will formally resume at this point) and specify the remaining time allowed for the paper(s)
Record as much detail on the exam room incident log (ensuring candidates are continually supervised throughout the whole time the resumed exam is in progress and giving complete attention to this duty at all times) and ensure the exams officer is fully briefed at the end of the exam(s) to enable a full report to be submitted to the awarding body/bodies
Where not allowed to return to the exam room, or the decision is made that the exam(s) cannot be resumed, the centre's exam contingency plan will be invoked and you will be briefed accordingly at the time
